

Fieldstone Golf Club
Auburn Hills, Michigan

The Fieldstone Golf Clubhouse overlooks one of the top golf courses in Oakland County. It was designed and constructed through the winter in less than 6 months. Distinctive roof lines, exposed wood trusses, and fieldstone columns highlight the 12,000 s.f. project. The building houses offices, locker rooms, pro shop, and a kitchen/banquet area to serve 200 people.
