

Oak Pointe Country Club

*Brighton, Michigan
Rising from the Ashes*

Kirco Manix nears completion of a new clubhouse for Oak Pointe Country Club after a fire destroyed the original clubhouse in February of 2007.

Nearly 9 months after the start of construction, the finishing touches are being put in place for the 37,000 sf two-story clubhouse that overlooks Crooked Lake in Brighton, Michigan.

In order to complete the clubhouse within the 9 month time frame, Kirco Manix had to utilize a fast track approach. Coordination and cooperation were critical factors in maintaining a tight schedule. Many of the products were pre-finished to reduce field fabrication. The clubhouse has a distinct, high-end look that reflects the vision of the established membership.

Oak Pointe Country Club, a member of the ClubCorp Family, has been one of the top private clubs in Livingston County for the past 10 years. In addition to 36-holes of championship golf, the beautiful new clubhouse offers fabulous dining, full locker rooms and a workout center.
