

Wyandotte Boat Club
Wyandotte, Michigan

A 37,000 s.f., state of the art, clubhouse facility including a boardroom, restaurant, and bar area. This facility includes holding tanks for rowing practice, weight room, and locker room. It is considered one of the premier facilities in the state for crew teams to train, learn, and workout. The exterior includes an attractive brick and siding with a shingle roof. The building is adjacent to the river which provides for spectacular views.
